

## Glenbard South High School Football

*Home of the Raiders*

August 21, 2017

To Parents, Guardians, Friends, and Community Members:

First and foremost, I want to thank all of you for the support you have given to the football program over the years. It is with your support that we have been able to grow the program providing the student-athletes with top notch uniforms, gear, and equipment. For that, we are very thankful and fortunate.

An integral part of the football program is giving back to the community that serves us. In years past, we have worked with various charities, foundations, and local support groups to help those in need. This year I have decided to focus on how to best support those within the Glenbard South Community. This coincides with the Athletic Department's focus: "Be a Great Teammate." This year, I am asking our players to support the Glenbard South Special Olympics Basketball Team by raising funds for new equipment and gear for the student-athletes. It has been several years since the basketball team has had new uniforms, warm-up gear, and various pieces of equipment. The Glenbard South Boosters have generously donated \$2,000 for new uniforms. Our focus will be to assist in the purchasing of warm-ups and various equipment that will benefit the student-athletes in practices and games. These student-athletes should be able to have the top notch equipment and gear, just like the other athletic teams in the school.

This is a wonderful way for our the football players to see how their efforts directly impact individuals within the Glenbard South Community. All proceeds will go to the Special Olympics team. The fundraiser will start immediately and end September 8th. The goal is to raise \$2,000. If you would like to donate to this cause you can write a check to Glenbard South High School or give a cash donation. The student-athletes and coaches of the Special Olympics Basketball Team greatly appreciate your consideration.

Go Raiders!
